Question: In my model, few points are showing in blue colour & rest of the points are showing in red colour. I am working in TS2018. I observed that the same construction point which shown in blue colour in one view is showing as red colour in another view.

Support articles | Tekla User Assistance

In this lesson, you will learn how to launch Tekla Structures, and how to open and navigate a model. You will learn the basics of the user interface, and more about some of its features: the ribbon, file menu, selection switches and snap switches, and the side pane.
